

2017 CFMS-AFMS SHOW & CONVENTION “*Ventura Rocks the Nation!*”

RECOMMENDED LODGING

Because of tight restrictions imposed when trying to secure a “host hotel” with a block of rooms, we will not have a formal host hotel. The following are hotels within approximately a five mile radius of the Ventura Fairgrounds. When checking prices, we found travel sites such as Travelocity.com; Trivago.com; tripadvisor.com; expedia.com, Hotels.com; etc. is where to find the best deals. Check for current prices when calling and making a reservation.

RV Camping

Because rates vary considerably, we recommend you call for costs and availability of RV spots. For instance, rates at the Ventura Beach RV Resort currently range between \$80 and \$106 per night, depending on the sort of spot you want, and additional fees may be added for pets, specific amenities, water and dump fees, car passes, etc.

Ventura County Fairgrounds – details on costs and availability of RV camping at the Fairgrounds will be posted and updated on the show website: www.2017AFMSCFMSShow.com. Spaces are limited, especially with hook-ups. As of this writing, rates were \$45/night hook-ups. Again, watch the website for further details or email Diane Cook at info@vgms.org.
